Michelle & Isabel

My friend Michelle has been here from England for a few weeks, but she hasn't had sex. She's been telling me how horny she is and needs a cock. We've played together and even used some toys, but she wants a real cock, So before she misses her husband back in the UK, I decided to introduce her to some American man-meat. I think she liked it because she swallowed it all, or most of it.

I like all kinds of men, but the bigger and more buffed they are, the better chance they'll have to fuck me. I take my body seriously and I take sex seriously, so if you're not that type, I may not be the fuck buddy for you. But then if you treat me right, my legs may just open up for you.

Dear editors,

Thank you for a marvelous cover and pictorial of Destiny St. Claire in your last issue. She is one of the hottest women I have seen. It's not just her looks, but it looks like she really likes to fuck – and get fucked. Not like real life where those women just go through the motions and then expect the world because they let your cock into their mouth or pussy. I'm not complaining, but you guys know the type.

This world needs more chicks like Destiny. Ones that you can fuck and they'll fuck you back with the same excitement and fervor that you put into it. What's even better about Destiny, is that she likes her ass fucked. Now that is something all of us guys want to do, but that is a very rare position to find yourself in. If you ever can get into a woman's ass, then by all means do it. It's one of the best feelings you'll ever have. Thanks for hearing me out.

– Ray, Orlando

Editor, we want to tell your readers that domination play can be fun! How would it feel ladies, to turn the tables on your boring husband? Take a minute to think about it, especially you women out there who are sexually timid.

To the Editor,

I've bought your magazine, not only for the pictorials but for the free movies that you have. And they are hot. It's pretty cool to see the sex in pictures, then have it come alive on video. Good thinking guys, and girls. But what I want to write to you about, because it came to me watching one of the videos, is that my wife (married three years) doesn't make any sounds when we fuck! For a while, I thought it was a little weird, but came

Dear Editor,

I can never get enough Destiny St. Claire. She is the perfect lady-type for me. Yeah, there are others that might be considered prettier or have bigger boobs or take it in the ass, too, but that combo in her is very stimulating. I want you to look carefully at her pussy mound while she's getting her ass fucked. See the way her pussy lips are all puffed up nice and big. Her bald pussy is gleaming in the light and her expressions show how much she must like getting her ass fucked. Don't forget her perfect breasts. They are the perfect handful with perfect nipples that I would love to suck. I know she must have a husband or boyfriend. He's got to be the luckiest guy in the world.

–Angel, Ontario, CA

to accept it. So lately, I've been asking her to be a bit noisier, like moaning, if something feels good.

I finally convinced her to watch some porn with me so she can hear the girls, and guys, there moan and groan and maybe she'll pick up on it. So one night as we were snuggling on the sofa, I pulled the computer out and we looked at some innocent stuff and I gradually led her into some porn and she was agreeable to view it

I had downloaded one of your scenes where the gals were especially vocal, and we watched, talking about the sex and the groaning and she seemed to understand that it was okay to scream when she was cumming. It was okay to let out a "Yes, right there!" when I hit the spot. It was okay to say "Fuck me harder." (although I usually fucked her hard enough).

Now here's the good part. She has become wilder and more sexually active since she's started becoming more vocal. I love hearing "Yeah, baby," at the top of her lungs, over and over again. She has really let loose but I tell her that we'll need to practice a little more.

– Sheldon, Los Angeles

Hey guys,

My wife has turned out to be the coolest chick on earth. We've been married for years and we're both over forty, but very young looking and acting forties. When we felt our sex life had become just a bit boring, we tried to liven it up in different ways. Lately, she's decided to become a "dominatrix." But what does your mind conjure up? For most people, it's a woman donned in black leather or vinyl lingerie, black stiletto thigh high boots, and she's carrying a whip. Please let me go ahead and say that we are not into a lifestyle or sexual inclination involving pain or humiliation, but for those that are, that's fine.

Editor, we want to tell your readers that domination play can be fun! How would it feel ladies, to turn the tables on your boring husband? Take a minute to think about it, especially you women out there who are sexually timid.

So – I come home from work one day to find her cooking dinner like usual, except that there is something slightly different, and at first I can't figure it out. She greeted me with a kiss and hug, then whispers in my ear that tonight I'm hers. Her hand lightly grazed my pants as she headed back to the stove to finish cooking – and for the rest of the evening whenever she passed me, she'd grope me or give me a sly look. After dinner, we left the dishes on the table and the pots and pans in the sink, and she told me she expected me in the bedroom in five minutes.

When I came looking for her, she shuts the bedroom door behind me and locks it. Then she pushed me up against the wall and started to kiss me passionately as she undressed me. I tried too help but she gently slapped my hands away and looked at me sternly in the eyes. When I was nude in front on her, she grabbed my cock, already hard from all the stuff that went on beforehand, and said that she is gong to take the evening exactly where she wanted it to go. Damn, I thought to myself. Then she tell me to undress her slowly. Everything she has on is easy to get off. She must have thought that out, too. I undo her zippered dress from the back and it slides to the floor. I undo the front bra clasp and her great boobs pop out. She's not wearing undies so she takes me over to the bed and pushes me down on the bed and straddles my face so I can lick her. All the while, she's reached forward and is stroking my cock so my licking becomes more ferverous (is that a word?). She bends down and switches her hand for her mouth all the while leaving her pussy on my face to lick and suck as we sixty-nine. I make the most of it for her pleasure as I feel her sucking my cock like never before. I don't feel like I need to go into the specific details of the rest of the night, but you get the gist of it. I was one hot night and it didn't end until four in the morning. Now most of you guys know it's difficult for a 40+ man to cum more than once, but she milked two big and one small jizz out of me that might. That's something that had not happened in over ten years. I think I made her cum at least four or five times!

– Davis, St. Louis

Hi editor,

I can never see enough titty-fucking in men's magazines, so when I caught a glimpse of it in your last issue, I nearly blew my load. Well actually, I did blow my load. You've got to run more pictures like these. There are a lot of us guys who really like to do it as well as watch it. Okay?

– Walt, Santa Fe

Some say I'm an old fashioned girl because I don't like to wear thongs, but why would I want to aggravate my beautiful booty? Some say I'm a modern girl because I like to take a cock up my ass. Either way, I'm a man pleaser and so is my butt.

College Room-mating

We were roommates and lovers in college, but it's been five years and we still haven't lost the spark!

Her flight arrived in ten in the morning. Shannon couldn't wait to see her old college roommate. It had been five years and her mind drifted back to some of their 'experimental' lovemaking. Back then, the two were quite close and did everything together, including a few guys. But those days had ended with college. Vannah move to Seattle to work for a tech company and Shannon stayed in Oakland, got married and works for a major department store. On the phone they said they really missed each other, and now they were going to spend the next weekend together.

Shannon left her car in the short term parking garage and headed towards baggage claim where she would claim her friend. Finally, she caught a glimpse of Vannah walking towards baggage claim. She was surprised how great Vannah still looked. Her round bottom and full breasts were just as Shannon remembered. The two embraced, giggled, and shed a few tears. As the afternoon passed the two ladies rekindled their friendship. They went out for lunch, went shopping and enjoyed a little wine together at dinner that night. Shannon realized that she couldn't keep her eyes off her friend. Then they said good night and Shannon drove Vannah back to her hotel and said she'd be back about eleven in the morning. She watched as Vannah got out of the car and into the hotel.

It's Saturday morning and Shannon is at Vannah's door at the hotel. She had told her husband that they were going back to some of their old spots at Berkeley and reminisce. He told her to go enjoy herself and couldn't wait to meet Vannah tomorrow. Shannon knocks on the door and Vannah opens it wearing only a towel. "Hi honey, come in, I was a little tired this morning and getting a late start. Just let me jump in the shower and I'll be right out." Shannon enters and Vannah closes the door and heads to the bathroom.

Ten minutes later, the sound of the shower turning off jolted Shannon back to reality. What to do now, Shannon thought, her panties moistened from the thought of Vannah naked and dripping wet. Vannah joined her, wrapped in a towel. "That was great, just what I needed! I was feeling all hot and sticky," said Vannah. She sits on the side of the bed and pumps some lotion into her hands and rubs them on her legs. Then she unwraps the towel and does her body. "Shannon, would rub some onto my back?" Shannon walk over to her and puts some lotion into her palms and rubs them together to warm it up. Vannah turns her upper body and Shannon begins rubbing the lotion onto Vannah's back. After a minute, Vannah turns back and opens her legs slightly in response to Shannon's delicious back rubbing. Shannon ran her hand down Vannah's leg, and back up the inside of her thigh, as Vannah let out the softest moan, as her body wriggled with pleasure. Encouraged, Shannon's hand worked closer and closer to her friend's twitching pussy.

Shannon is shocked to feel her friend's hand between her legs, fumbling with the zipper of her jeans. "Vannah, what are you doing?" "I want to do to you what we did in college," Vannah answers, as she unsnaps Shannon's jeans, and both girls pull them down and deposit the pants on the floor. Shannon is silent, but deep down she is screaming inside at the thought of Vannah's hot mouth clamped onto her ever-moistening pussy. Vannah pushed Shannon back on the bed, as she took her place on the floor in front of Shannon. "You shave your pussy. It looks so good!" Vannah exclaimed, as she moved her head in for a closer look. Her sizzling tongue popped out, and she licked Shannon's aroused pussy for the first time in more than five years.

Shannon slid further down the bed and pushed her wet pussy harder into Vannah's face. Vannah's tender, smooth tongue gently flicked at her swollen clit, and lightly traced her slit up and down, and back again to Shannon's throbbing clit. She cradled Vannah's face lovingly in her hands, and steered her tongue to the most vulnerable places of her soaked crotch. It took no time at all for Shannon to rise her hips off the bed as her first climax with her new old lover enveloped her in wave after wave of ecstasy. Vannah instinctively rode her friend's bucking pussy with her mouth until Shannon's body slumped down on the bed, exhausted. Shannon stroked Vannah's hair in appreciation, but she didn't even have time to say thank you before Vannah's says, "Could you please lick my pussy?" Vannah begged. Shannon immediately granted her wish, and began to taste her sweet fresh pussy with her tongue. Vannah jumped in shock as Shannon went to work, tonguing and sucking her on her quivering crotch, and squeezing her ass with more pressure. When her stiff tongue reached lower, and darted in and around Vannah's tight little brown hole, she shrieked and squirmed in response.

"Shannon? That's my ass you're licking!" she blurted out, as if Shannon hadn't noticed. "Sorry, Vannah, should I stop?" she asked. "Hell no, it feels fucking great! I'm about to cum already!" was Vannah's reply. Emboldened, Shannon went about forcing the length of her tongue deeper into Vannah's butt hole. Sure enough, in a few minutes, Vannah's ass was bucking up and down on the bed, and her head whipped from side to side as she screamed out her climax. Shannon lashed both her holes feverishly with her wild tongue, holding onto her friend's spastic ass cheeks with a firm grip. She could feel Vannah's body calming down, and she eased up on her. She needed some time to rest her weary, overworked tongue as well.

Shannon went about forcing the length of her tongue deeper into Vannah's butt hole. Sure enough, in a few minutes, Vannah's ass was bucking up and down on the bed, and her head whipped from side to side...

Now, Shannon lowered her body down as she held Vannah's head straight up, and rested her wet pussy on her playmate's face. Shannon pressed her crotch tightly against Vannah's mouth. Shannon rubbed up and down, forcing her hot pussy and ass hole over her lover's lips and nose. Shannon's impromptu ride turned into a mission, and she ground her trembling pussy harder and firmer, eliciting some sharp contact with Vannah's exposed teeth.

Now here she was slamming the thick, black rubber intruder deep into her old roommate's delicate pussy. Just the thought of it made her so horny. Shannon rode Vannah like she was a thoroughbred...

This sent her over the edge, and she bucked as a strong series of orgasms washed over her, covering Vannah's face with her hot juices.

Both were now breathing heavily, as Shannon dismounted. Vannah sits up and reached under the bed and pulls out her suitcase. She unzips it and pulls out a handful of dildos. She knelt on the floor again, between Vannah's legs, and pushed one into her pussy. Shannon continued to fuck her playmate with frenzied strokes, as she introduced her thumb into her anal opening. Meeting no resistance, Shannon picked up a thinner red dildo, and slid it into Vannah's tiny anal opening, working it in bit by bit, while pumping her pussy with the fatter green toy. Soon, she was pounding both of her friend's holes in unison. Vannah tensed up in orgasmic contractions once again. Shannon continued to fuck her friend's sexual passages until her spasms subsided.

"That was great! I didn't know you could be so... in charge like that!" Vannah said. "Well, I'm not done yet," Shannon said. "Why don't you, go to the bathroom and clean up a little because I have to look through your goodies bag. While Vannah was out of the room, Shannon pulled out several more dildos and found a black strap-on – and decided that was it. She slipped it over her hips, and adjusted the straps. Vannah re-entered the room where Shannon was waiting for her. "Is that for me?" Vannah asked enthusiastically. "Come back here and kneel down on the pillows." Shannon had put the bed's pillows on the floor next to the bed. Vannah knelt on the closest one to the bed; Shannon knelt behind her and began rubbing her smooth round ass cheeks.

She gingerly worked two fingers into Vannah's hot pink pussy, massaging her erect clit with her thumb. Vannah sighed and her butt stirred in response to this new stimulation. Behind her, Shannon knelt behind her with the thick black rubber strap-on dong. As Shannon eased the head of the fake cock forward, the massive cock penetrated Vannah's love canal, and slipped inside. Shannon had Vannah's round ass tightly in her grip, and she began moving the larger rubber shaft in and out of her wide-stretched pussy. Soon, she was burying over half of the shaft deep into Vannah's slick vagina, as she squeezed and slapped her exposed ass cheeks. She delighted in watching that black meat disappear time and again into her moist orifice.

Shannon had fantasized about this moment for longer than she could remember. Now, here she was, slamming that thick, black rubber intruder deep into her old roommate's delicate pussy. Just the thought of it made her so horny. Shannon rode Vannah like she was a thoroughbred coming down the back stretch, complete with several swift ass slaps. She reached down and wrapped Vannah's hair around her hand, and pulled her head up off the bed, as she slammed into her pussy time and again, as Vannah's fragile body finally stopped spasming from her orgasms. Finally, Shannon slid the black strap-on out of Vannah's slick hole, and slumped to the bed.

Shannon started running her hot tongue slowly up and down the entire length of Vannah's exposed loins, from her sensitive anal rim down to her erect clit, then back up again. She stopped occasionally to drive her stiff tongue into her wet pussy. It didn't take long before she felt her muscles contracting again, as she pumped out more love juice all over Shannon's face.

They both laid back on the bed and hugged. Tomorrow it would be Shannon's turn. This was going to be one wild weekend!

hey you, bring that big hard cock over here

Because If you don't, how am I going to suck it? How am I going to run my tongue up and down the shaft and then I'd take my lips and wrap them around your cock's head and suck it while my hands slip down to your balls and I begin to play with them, too. Now, is there any reason your cock is still over there?
